

Need to raise money?
Have a Cape Codder Water Park

Fundraiser!

Step 1: Together we pick a weekday for your “Water Park Fundraiser”

Step 2: We supply you with a flier announcing the date, time and specifics

Step 3: You copy the flier and distribute it to as many people as possible within and outside of your organization!

Step 4: Talk it up! Encourage everyone you know to come swim at the Water Park that day. They must bring the flier with them and present it when paying for admission in order to credit your organization.

Step 5: Have a great time with family and friends at the Water Park and know that **20% of all admissions will be donated to your organization.**

It's that easy!
